To supporters in the Aberdeen area.

Local activist and Animal Concern supporter Suzanne Kelly has raised a Petition to Aberdeen City Council calling for a suspension of deer culling on Tullos Hill on the edge of the city. The petition closes on Monday but is currently 99 signatures short of its 250 name target.

If you live in the Aberdeen City area please sign the petition immediately and distribute it to family and friends in the city and encourage them to sign it too.

The link below will take you to the petition page. Just follow the instructions on that page.

My apologies if you receive this twice as I am working off of several e-mailing lists. Sorry too if you are not in the Aberdeen City Council area but perhaps you know someone who is.

Thanks, John
