The Secretary,

XXXXXXXXXX

Dear Sir or Madam,

I am writing to find out what, if any, provisions for improving animal welfare and environmental conservation are contained in the your Party Manifesto for the Scottish Parliament elections this May.

Animal Concern will be urging our supporters in Scotland to vote for the Party which, if elected to form the next Scottish Government, is likely to do most for animals and the environment. We will encourage other organisations to do the same.

Please find attached our "shopping list" of commitments we would like to see included in your Manifesto.

I look forward to your response.

Yours faithfully,

John F. Robins,

Animal Concern
